Male, Neutered, Beige in colour, Lab cross Staffie, looks more lab, brown eyes. Medium sized. Not chipped. Name Legend. Got out of the gate at our home Wednesday night at around 8pm. Together with Female, spayed, Beige in colour, Lab cross Staffie, looks more Staffie, brown eyes. Medium sized. Not chipped. Name Legend. Got out
of the gate at our home Wednesday night at around 8pm. It is unlikely they will separate from one another, they are from the same litter and have never been separated.
They are friendly, but skittish and don't like loud noises or sharp sounds eg someone cutting their finger nails. No illnesses, no medication. Went missing from our home address: 55 Lloyd Avenue Grosvenor The Bluff Durban We have reported at SPCA - Toti, Kloof and Springfield. We have called all vets. We have posted on all FB and What's App groups. We have hiked the bushes close to our home, searched rail way tracks, day and night since 8 pm Weds consistently. My husband has nearly slept My number: Callie 0718559440 My hubby number: Myles 0716713581
