Phoenix is a small dog with a silky, medium-length coat. The fur is a mix of colors, primarily tan, grey and black on the body with tan or light brown around the face and legs with semi-floppy ears and dark brown expressive eyes. His build is lean and slightly elongated with fur (a mix bread of a Yorkshire terrier and Dachshund). Phoenix was last seen Saturday 14 June 2025 around 5pm dressed in a red buffer jacket in Chantelle, Akasia (Pretoria North) between Doreen street and Walnut Road). Phoenix is
a playful dog and loves to meet people (always wags his tail and pees in excitement) He is bright eyed and very active and loves to bark. Phoenix is loved and well taken care off. Please help us find him. Call on 0763091636
