They stole my baby girl's little puppy her name is Bambi...when we woke up we opened the door n we saw snoopy alone...we thought bambi is asleep only to find that she's not even in the yard.... The person that stole her knows how to open my gate coz usually my gate has a lock n if u not used to coming to my house u wont open it...i
feel like the person stole my dog is someon close to use but we looked for it almost everywhere around were we reside with no luck.... Plz help us locate her....she means the world to us..
